

Hebrews 11v17-19 Bible study questions and application

1. Why is it important to distinguish between testing and temptation?
2. What are some of the hard things from the hand of God; as a result what He has prescribed or from what He has allowed?
3. Discuss how the fear of God is a stimulus to obedience and how faith is an encouragement to obedience.
4. How can we know if God is telling us to do something, or whether it is coming from some other source?
5. Does faith mean putting our brains in neutral?
6. In what ways are hard things not wasted?
7. How can we know when to stop trying to understand and just to trust?
8. Elaborate on the different ways this passage points to the cross.
