

Following Jesus along the darkest

John 21
25 path

Following Jesus even when He leads you along the darkest path

AW Pink

“The Lord here warns Peter that his love to Him will be sorely tested, that caring for His sheep would ultimately involve a martyr’s death”

JC Ryle

“Everything from the beginning to end is foreseen, arranged by One who is too wise to err, and too loving to harm”

Like Peter
you may
have to...

Face days
of darkness
and
hardship

Like Peter
you must...

Follow
Jesus
through
thick and
thin
